

Welcome Students and Parents

SOAR Welcome!

We welcome you—new students and parents—and of course our senior students to our Vivekanandha community. You have exciting educational and personal opportunities awaiting you! A special *welcome* to those of you who are coming on our campus for the first time.

Classes Start June 14, 2017.

At our Student Orientation, Advising, and Registration Program (SOAR), you will:

- Learn more about Vivekanandha's academic programs.
- Meet with members of the faculty and administrative staff.
- Become acquainted with expectations that Vivekanandha College has of you as a student in and out of the classroom.
- Prepare to make the transition from your current living environment to Vivekanandha College's Residential Campus.

Participation in our introductory **SOAR** session is required of all new students.

Parents attending **SOAR** will become better acquainted with Vivekanandha and all it has to offer. We hope you will attend **SOAR** with your daughter/s.

We look forward to greeting you at the **SOAR** Welcome session this year.

Awaitingly,

VCW Principal and Staff
