

VIVEKANANDHAA COLLEGE OF ARCHITECTURE FOR WOMEN

COURSES OFFERED

Undergraduate Programme - 5 Years

B.Arch. (Bachelor of Architecture)

Vivekanandhaa College of Architecture for Women (VCAW) is started in the year 2017 with the vision to enhance the quality of architectural education, programs and systems towards achieving international standards and to promote research levels by and large for rural woman. The college is affiliated to Anna University, Chennai and Recognized by the Council of Architecture, New Delhi.

The motto of this programme is to facilitate the architects with good and strong analytical, creative and conceptual skills, for the environmental friendly society and to the fast developing nation.

VCAW is one and only institution in the Council of Architecture which provide architecture course exclusively for girl students.

Academic Excellency is achieved at VCAW through the well Qualified Faculty, state of the art facilities such as the studios, AV room, materials lab, art court, model making workshop and an exclusive library.

We develop the knowledge and skills to shape the modern world we live in. We equip and educate the students to become responsible, well trained and socially committed professionals who will respect the richness of nature, diversity of culture and through continuous professional development make significant contribution to a sustainable and eco friendly environment.

Confidence Builds Success

DEPARTMENT OF ARCHITECTURE

The Bachelor of Architecture programme aims at attaining a high level of excellence in architectural design. Studio exercises are viewed as the core of the programme with crucial inputs being provided by experts specializing in the fields of arts, engineering and technology and professional practice of architecture.

This course provides strong foundation of multidisciplinary enabling skills related to space, construction, environment and aesthetics to the students. These skills include drawing, architectural presentation, research and writing, computer applications, technical and managerial aptitudes in problem definition and solution seeking.

Quotes from by Robert L. Peters

“Design creates Culture, Culture shapes Values, and Values determine the Future”
